SPRING SUMMER 25

BORN FROM THE SEA

APHRODITE

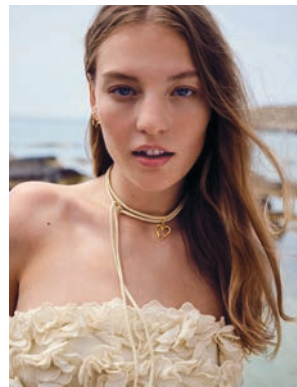

RISING WITH LOVE

What transformative powers emerge when the brutal, deep sea casts folds of gentle SEA FOAM to caress the sandy beach above?

Which secrets of ancient allure are unveiled?

Maanesten's SS25 collection is a voyage to the timeless realm of APHRODITE, the Greek goddess who ROSE FROM THE SEA and for whom love, beauty, and life entwine. It is a world where doves, roses, and shells breathe stories of divine elegance and mortal desire. Echoes of THE GODDESS'S ESSENCE shimmer in each piece, capturing the eternal dance between her celestial grace and earthly splendor.

LIKE A WAVE OF LOVE, BEAUTY, AND LIFE

APHRODITE IS ASSOCIATED WITH
SEVERAL SYMBOLS, INCLUDING:

SWAN: With their gracefully elongated necks, swans are
Aphrodite's muses of elegance, beauty, and love.

ROSE: Roses grew, where Aphrodite's tears for her lover fell
on the ground, making the flower her sacred symbol of beauty, love, and passion.

APPLE: The apple is a powerful symbol of lust and desire,
which are emotions in Aphrodite's realm.

SHELL: Aphrodite was born from the sea foam and emerged
from a scallop shell, symbolizing birth and beauty.

PEARL: Pearls, like Aphrodite, are born in the sea and symbolize purity and beauty.

DOVE: Not merely a gentle messenger, but also the sacred attendant to Aphrodite
and her symbol of love, peace and fertility.
